75% OF DIRECTORS SAY CYBERSECURITY IS THE AREA THEY ARE MOST CONCERNED ABOUT THEIR COMPANY CONFRONTING A CRISIS.

2021 Corporate Board Member and Diligent Institute What Directors Think Survey

When it comes to cybersecurity oversight, how does your board stack up? Are you asking the right questions? Are you confident your management team is implementing the best practices to safeguard your employees, customers, and business partners?

Bringing together future-minded board members and strategic-thinking CIOs, this one-day event promises to equip your organization with practical insights for the year ahead through interactive, engaging sessions with lively debate and informative conversations.

JOIN DIRECTOR PEERS AT THE 2022 CYBER RISK FORUM TO HELP YOUR ORGANIZATION:

- ✓ Limit the disruptive effects of cyber incidents at your organization
- ✓ Identify where improved cyber controls are needed
- ✓ Limit financial and reputational damage in the wake of a cyber breach
- ✓ Understand how emerging IT regulations might impact your company's digital transformation efforts

“Program was time well spent. Expanded my understanding of cyber risk and provided info where I can improve board performance.

- Tom Fargo, Huntington Ingalls Ind.

“Very good, broad spectrum overview. At worst, a wake-up call; at best, very provocative topics.

- Bill Dawson, McGrath RentCorp and Wellington Trust Co.
